Carthy Foundation Chair In Business

Faculty of Business

Applications are invited for the Carthy Foundation Chair in Business in the Department of Marketing and Economic Analysis. The chairholder will be appointed in the general area of marketing and will be an active researcher and teacher of wide repute. The chairholder is expected to provide intellectual leadership and will be entitled to a discretionary expense allowance to assist in discharge of this responsibility. He/she will be expected to interact with colleagues and contribute to leadership in the Department of Marketing and Economic Analysis and the Faculty of Business. Salary is negotiable depending on experience and qualifications. An attractive and competitive salary is made possible by the generosity of the Carthy Foundation. Appointment can be effective July 1, 1988. Deadline for applications is December 31, 1987.

The University of Alberta, the second largest university in Canada, is located in Edmonton, a city of 700,000.
